Carmarthen Ham

1

Albert Rees Limited

The production of Carmarthen air dried, salt-cured Ham is dependent upon skill and experience which all started with Albert Rees, a market butcher in the 1970s and has since been passed down through the generations in the Rees family.

Traditional Welsh Caerffili

2

Caws Cenarth

This artisanal Welsh cheese tells a fascinating story spanning hundreds of years. The 'Traditional Welsh Caerphilly' which we eat today is based on an unchanged recipe written down by Annie Evans in her notebook in 1907, but which probably dates back well into the 19th century.

Gower Salt Marsh Lamb

5

Gower Salt Marsh Lamb Limited

The Gower salt marshes provide the ideal natural growing environment for salt tolerant herbs, such as samphire and sea lavender. This is what gives Gower Salt Marsh Lamb its delicious flavour - which is "mild, sweet, and delicate with grassy, herby slightly salty fresh notes".
